

Quiz Video Lab

Make your training videos a more active learning experience.

Who it fits

Training publishers, CPD providers and learning-platform operators with an existing video library or learner audience.

The commercial opportunity

Bring questions into the viewing journey and give learners and course teams a clear record of responses.

Explore a software asset acquisition or defined licence for the scheduled application and workflows.

Explore the workflow

- A source-backed overview of question checkpoints, learner interactions and results export.
- Request a focused workflow review using an agreed sample lesson.

Define what transfers

- Scheduled video-assessment, checkpoint and results application components.
- Specified interface, data schema and relevant operating documentation.
- Defined software or channel-licence rights for the agreed learning use case.

Agree the handover

A defined content setup and product walkthrough, with fixed knowledge-transfer and support boundaries.

Bring your content rights and learner audience. Accreditation, course approval and assessment standards remain part of the buyer's own offering.
